## WORK EXPERIENCE

### Customer Sales Assistant

May 2023- November 2023

Home Bargains, Leigh, Greater Manchester

At Home Bargains, I thrived as a Sales Assistant, delivering friendly customer service, ensuring a well-stocked shop floor, and processing purchases efficiently. This role strengthened my communication and teamwork skills in a fast-paced environment.

### Customer Sales Assistant

November 2022 - September 2023

Morrisons, Leigh, Greater Manchester

As Morrisons Customer Sales Assistant, I provided exceptional service, assisted with stocking shelves, operated checkouts efficiently, and the functionality of the petrol station. This fast-paced role honed my communication, teamwork, and problem-solving skills as well as assessed my adaptability in stressful situations

### Customer Sales Assistant

September 2019 - August 2020

Currys PC World, Leigh, Greater Manchester

At Currys PC World, Leigh, I thrived as a Customer Sales Assistant. I excelled in customer service, helping them find the right tech products through effective communication. Starting as a Christmas Temp, my resilience and commitment during peak periods secured a permanent role on the team.

## ACADEMIC PROJECTS

### Final Year Project

Can an application be used to test human reaction times

The aim of the project was, following a SDLC model, creating a prototype application that can be used to test and train the human reaction times.

The project highlighted the importance of proper time management, critical analysis, problem solving skills and the aptitude to change and still develop a first class piece of work
